Competitive Prep Cheer Divisions are for teams that do not allow the same commitment/participation (full-year) guidelines or requirements as a competitive all-star team. Competitive Prep Cheer teams may or may not be affiliated with an all-star program. Competitive Prep Cheer typically practice and compete less than "full year" all-star teams. Competitive Prep Cheer teams are often "half-year" teams or teams that are intended to offer a shorter season, more relaxed environment and often less travel. Competitive Prep Cheer teams are designed with the purpose of introducing athletes into the sport of cheerleading with a lower commitment than a full-year team.

Note: Full-year all-star teams should compete in the appropriate all-star division, not the Competitive Prep Cheer division. Competitive Rec Cheer teams that cheer for a rec league sport should compete in a Competitive Rec Cheer division.

Crossovers Between All-Star and Competitive Prep Divisions:

Athletes may NOT cross over between All-star and Competitive Prep divisions at the same event. Teams found in violation of this rule are subject to immediate disqualification from the Competitive Prep division they are registered in.
